Childrens Winter Fair

Winter Fair 2026
With Love, Respect and Care
To Our Broader Community, Alum Students, and Parents:

As we come together to plan this year's fair on Saturday, November 21, we honour that things have changed. Our community is mighty, but a little smaller, and there are fewer hands available to bring everything to life. And we wonder if there is any part of you that remembers the magic of the Winter Fair and would be interested in being part of it again.

We are hoping to keep many of the beloved favourites: the ones where you see beauty in the quiet darkness, the candlelight, the creation, the magic, and the wonder - those moments that bring huge smiles to the children's faces, and to the child in us too.

So... we are calling all hearts and hands! Every offering is meaningful, and we welcome whatever you feel inspired to share.

This year, we are especially grateful and excited to announce that Becca McLaren, along with some other alum families, has generously offered to host an *Alumni Strings Café*!

So, as you reflect, does any of this call to you?

- Volunteering at the Café
- Joining the Winter Fair Parent Committee, or sharing insight, ideas, and wisdom
- Baking cookies for the Cookie Forest
- Baked goods for the Café
- Sharing your gifts of music
- Handmade or special treasures for the Pocket Fairy
- Gifts and offerings for the Angel Room
- Photography
- Helping transform our grounds into a beautiful winter wonderland
- Volunteering at a specific activity that holds a special place in your heart

If so, please fill out this **Google Form**.

High School Students
Many high school students have service or volunteer-hour requirements. If you would like to volunteer at the Winter Fair, we would love to have you involved in any capacity: helping with setup or takedown, activities, the Café, decorations, gift-making, photography, baking, or simply lending a hand wherever it is needed. If you are interested, please fill out this **Google Form**.

Current School Families
Class activities will be assigned as soon as possible so that you have plenty of time to plan, create, and participate in the way that works for your family. And if you feel called to join the Winter Fair Parent Committee, we would love to have you!

We are excited to dream, create, and bring this year's Winter Fair to life together. We are so grateful for this community and for all the little pieces of love that come together to create something truly magical for our children.

With Gratitude,
Your 2026 Winter Fair Parent Committee
